

## OUR PARTNERS FOR THE PARKS

The Golden Gate National Parks Conservancy is proud to work alongside its partners the National Park Service and the Presidio Trust in support of research, interpretation, and conservation programs throughout the national parklands north and south of the Golden Gate.

### NATIONAL PARK SERVICE

The National Park Service (NPS) is a federal agency within the U.S. Department of the Interior charged with managing the preservation and public use of America's most significant natural, scenic, historic, and cultural treasures. Established in 1916, the NPS manages 408 sites across the U.S.—including the Golden Gate National Parks.
