

TRAILS FOREVER

LANDS END UPDATE – EAGLE’S POINT

FEBRUARY 2009 – MARCH 2009

Efforts are currently underway to improve the Coastal Trail at Lands End near Eagle’s Point. This project will reconstruct a segment of the trail to reduce erosion and improve visitor safety.

TEMPORARY TRAIL CLOSURE AND DETOUR

For your safety, a section of the Coastal Trail will be closed during reconstruction activities. Please see detour map for alternate routes. Thank you for your patience during this project.

PROJECT OBJECTIVES

- Trail improvements
- Improved visitor experience

SCHEDULE

FEBRUARY 9, 2009 - MARCH 31, 2009

- Hazard tree work
- Realign trail segment
- Install wooden retaining wall

Hikers enjoying Coastal Trail improvements

JOIN THE TEAM

If you would like to contribute to efforts to revitalize park trails and enhance park resources, please contact Kathryn Morelli, Director of Development, at (415) 561-3050. To learn more about Lands End trail improvements and volunteer opportunities, please call (415) 561-3054.

Trail improvements at Lands End are made possible by the leadership and generosity of the Richard and Rhoda Goldman Foundation, the Horace W. Goldsmith Foundation, the California Coastal Conservancy and the 13,490 members of the Golden Gate National Parks Conservancy.

Trails Forever is a park-wide initiative sponsored by the Golden Gate National Parks Conservancy, National Park Service, and The Presidio Trust.
