

**REDWOOD CREEK PROJECT ALERT:  
STORM EVENT REQUIRES WEEKEND WORK SCHEDULE**

**OCTOBER 10-12 2009**

Dear Muir Beach neighbors and visitors:

Due to a huge storm predicted to arrive over the coming days, the Redwood Creek Restoration Project team will work Saturday, Sunday, and Monday, October 10-12, from 8-5pm.

Local flooding is expected. All fencing and materials must be removed from the floodplain or it will be washed out.

Beach access from the parking lot will be closed from late Monday afternoon until no earlier than Wednesday afternoon. The beach can still be accessed from the levee road. The parking lot will remain open.

Public Information Coordinators will be on-site to answer any questions. You may also contact Jennifer Greene at 415-561-3054 for more information.

We apologize for any inconvenience and appreciate your understanding.

Sincerely yours,

The Redwood Creek Restoration Team
