

Habitat Restoration Team -

2019 January-March Schedule

Volunteer Programs are every Sunday, 9:30 am-2:30 pm and every 2nd and 4th (and 5th) Tuesday, 10 am-2 pm.

January 2019

January 6 (Sunday) - Dipsea Knoll/Pony Pasture, Stinson Beach. We're planting natives and pulling French broom to restore creekside habitat and woodlands near Stinson Beach. Rushes, sedges and thimbleberry you planted last year are thriving, Oh My! **Meet at Dipsea trail pullout on Panoramic hwy.** [Map Link](#)

January 8 (Tuesday) – Lower TV, Tennessee Valley. Come join in planting at Tennessee Valley's most popular restoration site where we're returning a scenic meadow from weeds to wetland. **Meet at TV barn (Chaparral trail picnic area).** [Map Link](#)

January 13 (Sunday) – Homestead Valley, Mount Tamalpais. We're planting native plants and pulling broom and other weeds to protect exemplary prairie habitat today on this lovely ridge on Mount Tam's flank. **Meet at the pullout by the fire road gate and cypress trees.** [Map Link](#)

January 20 (Sunday) – McKennan Gulch, Bolinas Lagoon. Join us to improve riparian habitat along the Pacific flyway. We'll remove Cape ivy and pull broom as well in this lovely canyon north of Stinson Beach. **Meet at McKennan Gulch pullout.** [Map Link](#)

January 22 (Tuesday) – Lower TV, Tennessee Valley. Get your fill of infilling native plants with another planting day surrounded by gorgeous views. **Meet at TV barn (Chaparral trail picnic area).** [Map Link](#)

January 27 (Sunday) – Kirby Cove Campground, Marin Headlands. Your help will protect amazing Headlands habitat! We will be planting and mulching down at the cove today. **Meet at Kirby Cove gate on Conzelman at Battery Spencer.** [Map Link](#)

January 29 (Tuesday) – Lower TV, Tennessee Valley. We will finish up our planting efforts for the season and tuck our new residents in with a careful layer of mulch. **Meet at TV barn (Chaparral trail picnic area).** [Map Link](#)

February 2019

February 3 (Sunday) – Camp Bicentennial and Battery Wallace, Marin Headlands. We'll stop the veldt grass invasion from taking over this lovely point. Views of the Golden gate channel will reward us. **Meet at Camp Bicentennial picnic site.** [Map Link](#)

February 10 (Sunday) –Fairfax-Bolinas, Bolinas Ridge. Bald Eagle alert! Your help is needed to plant natives and pull broom as we continue to transform this 5 acre French broom invasion. Wonderful oak woodlands and patches of prairie grace this slope with Bolinas lagoon views. **Meet on Fairfax Road pullout near Hwy 1.** [Map Link](#)

February 12 (Tuesday) – Coyote Ridge, Tennessee Valley. Winter rains mean wet soil and ideal conditions for pulling broom from these protected meadows! **Meet at end of Countyview Road.** [Map Link](#)

February 17 (Sunday) – Stinson Gulch, Bolinas Lagoon. Join us to plant native plants to improve riparian habitat amongst stately oaks and buckeye trees. We'll pull broom and mulch veldt grass as well in this lovely canyon north of Stinson Beach. **Meet at Willow Camp Trailhead at the parking area in front of the gate off Hwy-1.** [Map Link](#)

February 24 (Sunday) – Homestead Valley, Mount Tamalpais. We're planting native plants and pulling broom and other weeds today on this lovely ridge topped with exemplary coastal prairie on Mount Tam's flank. **Meet at Four corners on Panoramic hwy.** [Map Link](#)

February 26 (Tuesday) – TV Cove, Tennessee Valley. We'll be searching for weeds from the beach to the cliff edge and everywhere in between. **Meet at TV barn (Chaparral trail picnic area).** [Map Link](#)

March 2019

March 3 (Sunday) – White Gate, Dipsea Moors. Enjoy the Wildflowers! We'll form mini teams to hike the Moors looking for a wide variety of sparse invasive plants to remove like broom, Helichrysum, veldt grass, and thoroughwort as we make sweeps around the spectacular Moors. **Meet at the turnout off of Panoramic Hwy near the white gate leading to the Dipsea Trail.** [Map Link](#)

March 10 (Sunday) – Coyote Ridge, Marin Headlands. Broom Season Begins! We'll rove the beautiful grasslands and forest edges above Tennessee Valley removing broom, and other invasive plants where so much stewardship is evident and amazing habitat thrives. **Meet at Vista de Valle cul de sac.** [Map Link](#)

March 12 (Tuesday) – Marincello Trail, Tennessee Valley. Originally built as a road to a would-be housing development, this trail has views of the entire bay and plenty of invasive plants to keep us busy! **Meet at TV parking lot.** [Map Link](#)

March 17 (Sunday) –Easkoot Creek, Stinson Beach. Bring something to share for the pot luck. We'll do some weeding to maintain restored stream side Steelhead habitat. Tour One Tam's great Cape-ivy control work and see amazing native plantings at the new septic site. **Meet at the Stinson Beach central parking lot.** [Map Link](#)

March 24 (Sunday) – Presidio Stables & Fort Barry, Marin Headlands. Today we protect important endangered Mission blue butterfly habitat! We will pull broom in two sites to protect amazing habitat. Fantastic progress has been achieved by HRT in the last 25 years! **Meet at the Gerbode Trailhead parking lot across from Presidio Stables.** [Map Link](#)

March 26 (Tuesday) – Upper TV, Tennessee Valley. The onset of spring brings abundant opportunities to help out with various ongoing projects in Tennessee Valley. **Meet at TV parking lot.** [Map Link](#)

March 31 (Sunday) – Morning Sun to Gerbode Valley, Marin Headlands. Amazing wildflowers will reward us! We'll hike or caravan up the ridge and remove broom as we go to protect endangered butterfly habitat above Gerbode Valley. **Meet at the commuter lot on the west side of highway 101 at Spencer Ave exit.** [Map Link](#)
