

Habitat Restoration Team 2022
SUNDAYS

MAY 1 – EASKOOT CREEK, at Stinson Beach. Join us to remove invasive English and Cape-ivy vines from restored stream side habitat near the beach today. Bring your swimsuit!

Meet at Stinson Beach's central parking lot.

MAY 8 - HOMESTEAD VALLEY, Tam Valley. We're roving through gorgeous wildflower and oak woodland habitat and removing French and Scotch broom today among this lovely forest on Mount Tam's flank.

Meet at park gate on Lattie lane in Tam Valley hwy. The closest address on google maps is 129 Skyline Ter, Mill Valley, CA 94941

MAY 15 - TENNESSEE VALLEY, Marincello Trail. Celebrate the park's 50th anniversary where urban development was halted. We'll be hiking with bay vistas and broom to pull, and some straw mulching too!

Meet in Tennessee Valley parking lot at the Marincello gate.

MAY 22 –PRESIDIO STABLES & COASTAL TRAIL, Rodeo Valley.

We'll rove through gorgeous coastal prairie east of the stables to nab any French broom we see and continue west on the Coastal over to Fort Barry for more invasive plant patrolling.

Meet at Smith Road parking lot on Bunker Road.

MAY 29 – STINSON GULCH, Bolinas Lagoon. Join us to pull non-native plants like broom and mulch to improve riparian habitat amongst stately oaks and buckeye trees in this lovely canyon 1.5 miles north of Stinson Beach.
