

MY

Mama.

us now

Throughout the years our bond has
gotten much stronger...

I am greatful for all the moments
we have had together

I Wouldn't want it
To be anyone else

To our car rides and getting
dutch bros I love every moment with

♡ YOU ♡

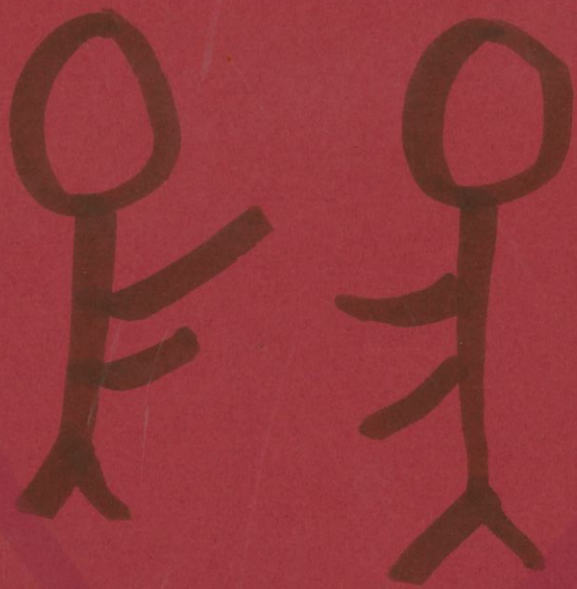

Our Connection

Angelika...

From the moment I had my first breath
Was God giving you the ultimate test
In your arms I was safe

You put everything into place

I thank God everyday that you are my mom
My love for you is always in your palms
