

Satellite Parking Lots Near the Golden Gate Bridge Plaza:

Due to various construction projects, parking near the Golden Gate Bridge is very restricted between June and October 2013. Please take public transportation if possible.

East Battery Lot (2-3 minute walk to Bridge Plaza):

From San Francisco: Take Doyle Drive (Hwy 101) to the very last San Francisco exit, just before the toll booths. At the bottom of the exit ramp, turn right at the stop sign, then turn left at the 3-way intersection onto Lincoln Blvd. The dirt East Battery parking lot is a very short distance down the hill on the left. A walking/biking path leads from there to the Bridge Plaza. Metered parking.

From Marin: Take the very first exit after the toll booths onto Merchant Road, then take an immediate right to go through the tunnel under the roadway. Go past the small metered parking lot to the 3-way intersection with Lincoln Blvd. Turn left on Lincoln Blvd and look for the dirt parking lot on the left a short distance downhill.

Employee Parking Lot (open to the public WEEKENDS ONLY):
