

- Fifth, From the deepest parts of my heart I'd like to thank you.
- From the very start when I joined the school you've shown me nothing but kindness. I was in a very dark place at that time and you gave me light. You taught me a lot of different things and we shared memories that I could never forget, my favorite memory is when we gardened together and was showing me how work to

the other students, I've always
loved plants but you let me
explore that passion more. you have
been a inspiration for me and i
can't be more thankful.
